Virginia L. McElfresh
February 1, 1920 - January 2, 2010

Jinny attended Slygo School and Brownstown High School. She loved her role as wife, mother and grandmother. She knew how to show love unconditionally and always was supportive in any way she could be. She remained true to her strong convictions. She didn't stand for any nonsense and expected people to do the right thing and always offered a helping hand any way she could. Her family has fond memories of many family gatherings and especially the loads of delicious food prepared by Virginia's loving hands. Jinny also loved the many trips made to Florida with her mom and sister Catherine to visit with their brother for 2 weeks in February each year. She also enjoyed playing cards with her family and friends as-well-as attending the horse races. Jinny has been a long standing member of Brownstown Methodist Church and a former member of Eastern Star.
