## **Ruptured Appendix Is Fatal To Boy, 14**

Elizah Silence, age 14, son of Mr. and Mrs. William Silence, of Brownstown, died at the Schneck Memorial hospital last night about 9 o'clock.

The lad was rushed to the hospital Thursday afternoon with a ruptured appendix and immediately underwent an emergency operation.

His condition was considered critical Friday and little hope was held for his recovery then. The boy was taken ill shortly before noon Thursday.

The body was taken to the home in Brownstown and funeral arrangements will be announced later.
