APPENDICITIS FATAL

William H. Boofer Jr. Died at Hospital Friday Night

William H. Boofer, Jr., 15 years, 6 months and 29 days-old-son of Mrs. Ida Boofer, who resides at 12th and R streets, died Friday night at 11:45 o'clock at the Dunn hospital following an operation for appendicitis which he submitted to yesterday morning.

While the appendix had not ruptured at the time of the operation considerable poison had developed and this is said to have spread rapidly through his system and was responsible for his demise.

The remains will be taken to Mitchell Sunday morning and there placed on board B. & O. S-W. passenger train and transported to Brownstown where funeral services and burial will occur some time Sunday.
