BOYATT—Aradna Boyatt, aged 15 years, five months and twelve days, died at the home of her mother, Mrs. Dollie Boyatt, Monday night, August 19, 1912, about ten o'clock, after a lingering illness of tuberculosis. Several months ago she was sent to the tuberculosis hospital at Rockville with the hopes that she could be cured but her case was too far advanced and nothing could be done for her. She was a bright little girl and was always cheerful during her long illness. The funeral services were conducted at her late home this morning at nine o'clock Rev. Edw. Schneider officiating, after which the remains were laid to rest in Fairview cemetery.
