### John Endebrock.

Died, Monday morning, June 29th, 1896, at his home near Tampico, John Endebrock, aged 26 years.

The deceased was the second oldest son of Henry Endebrock and wife and brother of Attorney William Endebrock, of this place. He had been afflicted with Bright's disease for several years, but bore his affliction without murmuring. He was a truly model young man, and was respected and esteemed by all who knew him. How sad the thought when we consider that he had just entered the walks of manhood, full of the hopes and ambitions that all aspiring young men possess.

A sorely stricken family—consisting of father, mother, two brothers and one sister—have our deepest sympathy in their hour of bereavement.

The funeral services were held in the Presbyterian church at this place this (Wednesday) afternoon, Rev. G. W. Applegate officiating, after which the remains were laid to rest in Fairview cemetery.
