Death from Cholera Infantum.
Grover, son of William and Carrie Lubker, of this place, died on Saturday night, at half-past 12 o'clock, of cholera infantum, aged 1 year, 9 months and 20 days. Grover was a very interesting little child, and his death has filled the hearts of his parents with inexpressible grief. Services were conducted at the residence on Monday morning by Rev. T. A. Montgomery, after which the remains were deposited in the new cemetery.
