SHEPARD.
On Friday morning, February 10th, Elmer and Minnie Shepard, of Vallonia, awoke and found their two months old babe, Allen Applewhite, in an unconscious state. A physician was summoned and all that medical skill could suggest was done, but to no avail, the little one sinking rapidly, passed away at about 10 o'clock. The cause of death was unknown but thought by some to have been congestion of the lungs. The little one had always enjoyed good health, never having been sick, and when the family retired Thursday night, the babe was apparently in the best of health. The remains were brought here Saturday morning and taken to the residence of A. A. Shepard and the funeral services were held at the M. E. church Sunday morning at 10:30, Rev. E. L. Sanders officiating, after which interment took place at Fairview cemetery. The parents have the heartfelt sympathy of a host of friends at this place and Vallonia in their bereavement.
