Jesse Tabor Heard From.

A dispatch from Terra Haute to the Indianapolis Journal, last Thursday, states that through a message from the marshal of Brownstown, Jesse Tabor, who so mysteriously disappeared from his home here several weeks ago, had been found by the police at Terra Haute, where he had been hiding at the house of an uncle. The message stated that the marshal wanted to know the names of the parties who whipped him. Tabor says that about a dozen persons took him to a thicket, put a rope around his neck and threatened to hang him, but instead beat him severely. He also said that he recognized two of the party.
